COMMUNICATION

This is in response to petitioner's request filed 30 May 2005 as to whether petitioner's credit card has been overcharged for application 10/501,211.

A review of the file indicates that petitioner's credit card was charged \$540.00 only once on 13 July 2004 for application 10/501,211. There is no second charge of \$540.00 to this application 10/501,211.

A review of a report that shows all the charges against this credit card between January 1, 2005 and August 8, 2005 indicates that petitioner was charged \$540.00 on three separate occasions (5/12/05, 5/18/05 and 5/19/05) against application 10/501,180. However, petitioner was refunded the amount of \$540.00 on 5/18/05 and 5/19/05 by check for a total charge of \$540.00 for application 10/501,180.

Accordingly, it appears that petitioner's credit card has not been overcharged. Also, the processing fee of \$130.00 indicated on the Notice mailed on 28 February 2005 has not been charged for application 10/501,211.
